Construction Traffic Control

Truck Detour Phase 2

Construction Traffic Control

Car Detour

Project Updates

➤ SDDOT Website

- <https://dot.sd.gov/desmet-pcn-04xc-064u>

The screenshot displays the SDDOT website's 'STATEWIDE CONSTRUCTION PROJECT INFORMATION' page. The page features a navigation menu with links for 'Transportation', 'Doing Business', 'Projects & Studies', 'Programs & Services', 'Travelers', and 'Inside SDDOT'. A sidebar on the right contains a menu with options: 'Planning', 'Studies', 'Construction Projects', 'Statewide Construction Project Information' (highlighted), 'SDDOT Innovation', and 'Public Meetings'. Below the sidebar is a 'TALK TO US' button. The main content area includes a map of South Dakota divided into regions and areas. The map is color-coded: blue for the Rapid City Region, grey for the Pierre Region, brown for the Aberdeen Region, and yellow for the Mitchell Region. Specific areas labeled include Belle Fourche, Moberge, Aberdeen, Water Town, Huron, Pierre, Mitchell, Custer, Winner, Sioux Falls, and Yankton. To the right of the map is the '511 Travel Info' logo. Below the map, a text block states: 'The featured construction project information can be found below categorized by region and area. The map above shows the region and area lines, if you click on the map it will show an expanded version of the map.'
